of P.H.S.

Welcome To PHS

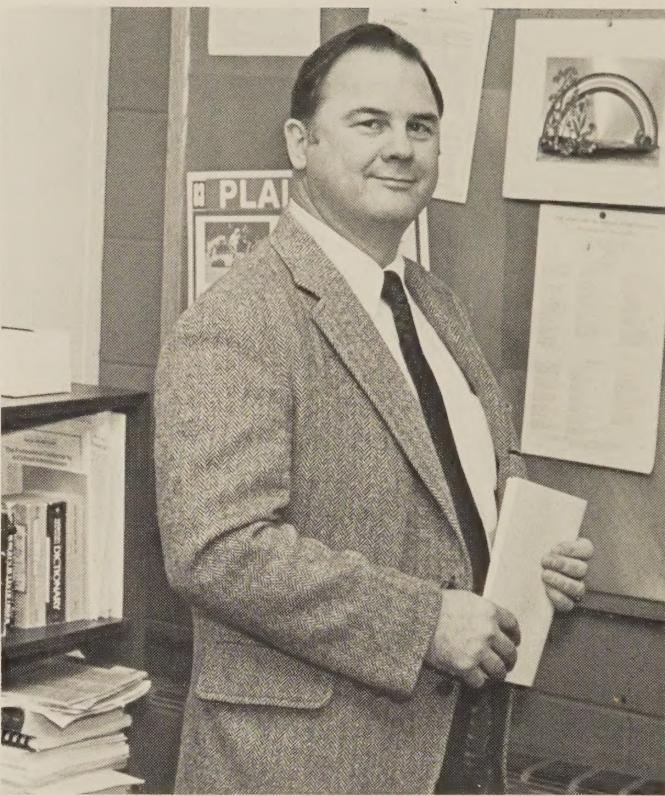

We welcome three new members to the administrative team of Plainfield High School. This is getting to be an almost yearly feature of the Milestone. We trust our new members will settle in and add the degree of stability we need at our Alma Mater.

Our new principal, Dr. Robert H. Max, has a very varied background in teaching, coaching, administration, and also in the United States Air Force. He received a B.A. and a Ed.D. from Rutgers University and an M.A. from Seton Hall University. He has taught languages and social studies in the classroom. He has coached football, baseball, and started a wrestling team at East Rutherford High School. He has been a Vice Principal and a Principal at six different high schools including Plainfield this year. He saw active duty in the Air Force from 1958-62 and is now active in the U. S. Air Force Reserve. He is also active in state administration organizations. He certainly has the background and expertise we need at PHS.

Dr. Joseph Moore, our new Guidance Chairperson, also has a varied educational background. He has a B.S., two M.A.'s and a Ed.D. from Indiana University, Kean College, Seton Hall and Fairleigh Dickinson Universities. Most of his educational experience has been in the Trenton public school system. He was also Director of Bureau of Basic Skills Improvement in the N.J. Department of Education.

Dr. Otha Porter, our new Science Chairperson, has a B.S., M.S. and a Ed. D. from Indiana University. His major field of work has been in math, chemistry, and school administration. He has been a teacher and administrator in three public school systems in Virginia, Indiana, and New Jersey. He was at one time Superintendent of the East Orange public schools system.

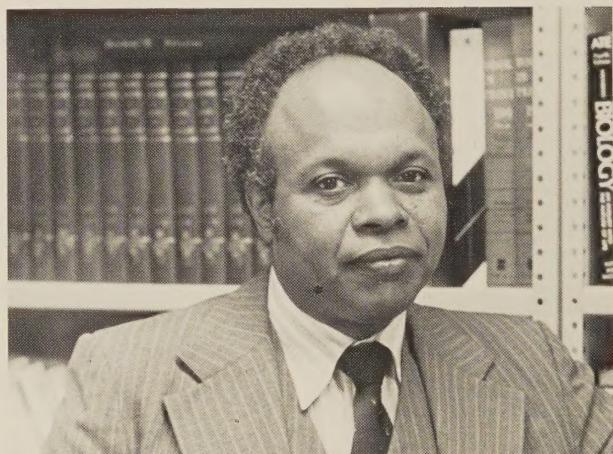

These men should be a great asset to the Plainfield school system. We wish them well.

Homecoming - 1983

Homecoming Queen
Kheesha Walls

A very successful contest was conducted this year to choose the Homecoming Queen. Approximately seventy-seven girls entered the contest. First they had to have nominating petitions from their classmates. Then they wrote an essay which was judged by a committee of English teachers. The names had been removed from the essays before being judged by the teachers. The five top essayists in each class were chosen as the first group of winners. Next these winners were screened by the Homecoming Committee. They were asked several questions and were judged on their poise, the quality of their answers, appearance and overall charm.

The group was narrowed down to three contestants from each class and then the winners were chosen in a vote by the students. The Homecoming Queen was announced at a very elegant semiformal dance held at the school. If this tradition is to be continued, the school has an excellent format to follow. All that would be needed next year is greater student participation at the Homecoming Dance. He could add a great deal of class to the school year and it could be said that the Class of '84 established the tradition.

Brian Glaspey, LaMonde Murphy, Wanda Breitenbsch, Sandy Lauria, Pam Gray, Lee Morris, Adrienne Freeman, Regena Davis, Sheremour Waldron and Howard Foster. These students worked diligently and conscientiously under the supervision and direction of our Student Council Moderator, Mr. Seymour Marsh.

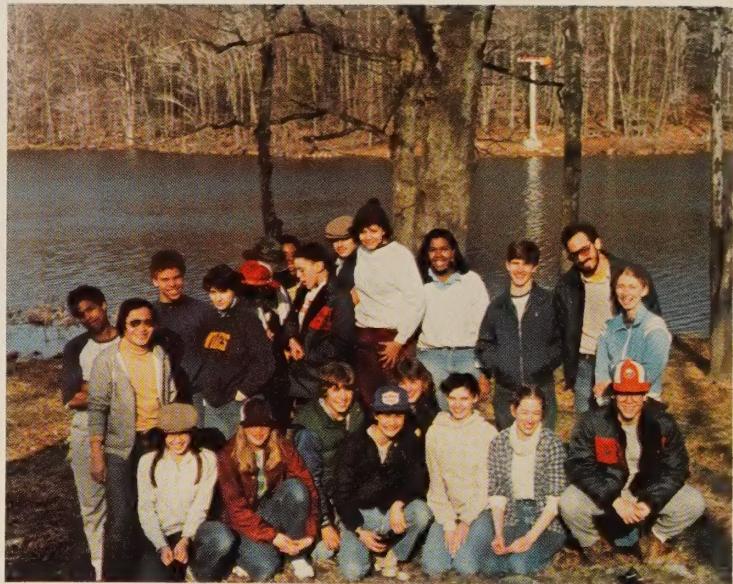

E.A.R.T.H.

E.A.R.T.H. (Environmental Activists for Restoring Terrestrial Health) was initiated in 1970 for the purpose of informing the students and adults in the Plainfield area about the different aspects of pollution — contamination of the land, water supply, seas and atmosphere. In order to accomplish this end, the ecology club has and will continue to actively combat environmental decay through self-education, conservation projects, and public awareness projects with local, state and national agencies.

One of the most active student organizations averaging over fifty members, E.A.R.T.H. has received recognition for its many accomplishments from the National Environmental Protection Agency (E.P.A.), state and county officials, the City of Plainfield and various colleges and universities.

On going projects include: construction of an artificial reef with the N. J. Artificial Reef Commission, erosion prevention in the Watchung Trailside Museum Conservation Center, winter weekend campout (Princeton Education Center), spring campout and backpacking along the Appalachian Trail, Whale Watch in Provincetown, Mass., aluminum recycling, rock climbing and outdoor skills and stream monitoring with N. J. Public Interest Research Group.

OUR MAIN GOAL IS TO ELIMINATE POLLUTION NOT ONLY TO IMPROVE OUR LIVES, BUT TO IMPROVE AND KEEP HEALTHY THE LIVES OF FUTURE GENERATIONS.

THE HENRY BANTA CHAPTER OF THE NATIONAL HONOR SOCIETY OF PLAINFIELD HIGH SCHOOL

The Henry Banta Chapter of the National Honor Society has continued to enhance its new image.

Service activities for the year were: 1) the Fall program included a Christmas party for Plainsfield's senior citizens at the new Plainfield Tower West, Career Day registration and ushering, Athletic Tutorial Program, and the total school tutorial program. 2) the Spring service programs included the Senior Citizens' dinner and Black History Program, the Blood Drive, the Junior Olympics at Hub Stein Athletic Field for special education students, and fund raisers.

Two new activities sponsored by the N. H. S. were the Plainfield Bowl, organized by Thomas Donovan and the Computer Club, organized by Scott Deering.

At the helm this year was Lisa J. Haynes who received the following honors in connection with the National Merit Scholarship Program: 1) **Letter of Commendation** for outstanding performance on the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test, 1982. 2) **Semifinalist** — National Achievement Scholarship Program for Outstanding Negro Students.

A Tribute To the Athletes

It is with great pride that we dedicate these two pages to the athletes and the Spring Athletic program of Plainfield High School. Unfortunately, due to yearbook deadlines, we cannot feature the Spring sports as we do the Fall and Winter sports. The students who participate in the Spring of the year practice, work, and perform as diligently as the students involved in football, soccer, basketball, etc. We wish we could do as much for them as we do these other sports. We try to get team pictures of the Spring sports in the yearbook, but by mid-March, which is our final deadline, it is often uncertain who the team members will be, uniforms may not be available as yet, and any action shots are just out of the question. However, we want to acknowledge their efforts, their dedication, their team and school spirit. They do not have the fan support of football and basketball, but they are and always will be a vital part of the athletic program of Plainfield High School.

And the Spring Sports' Program

PHS Art Department

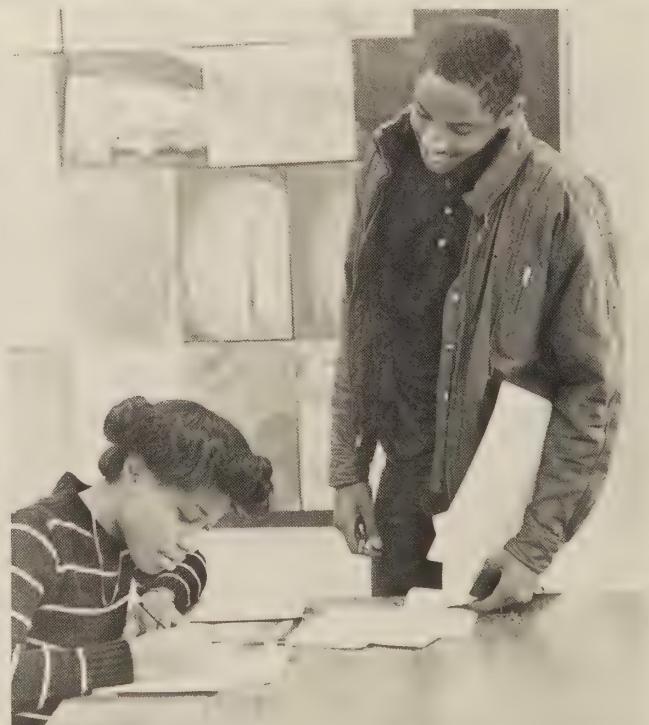

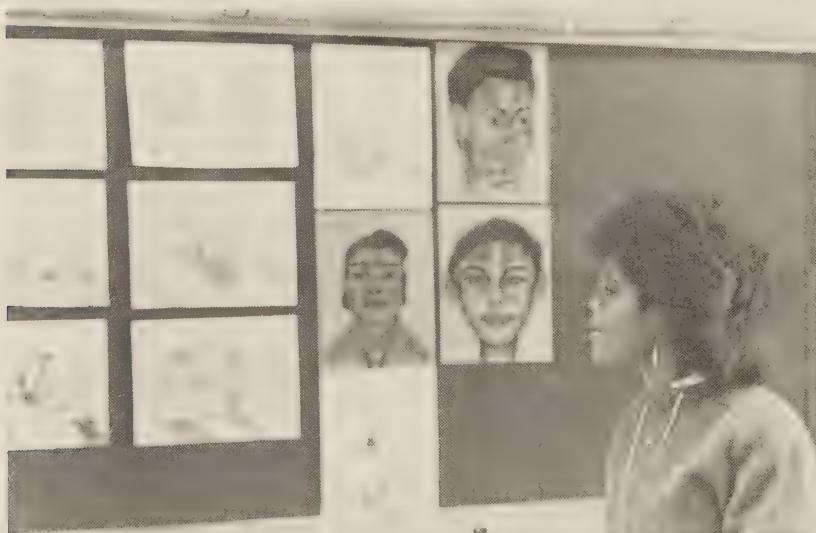

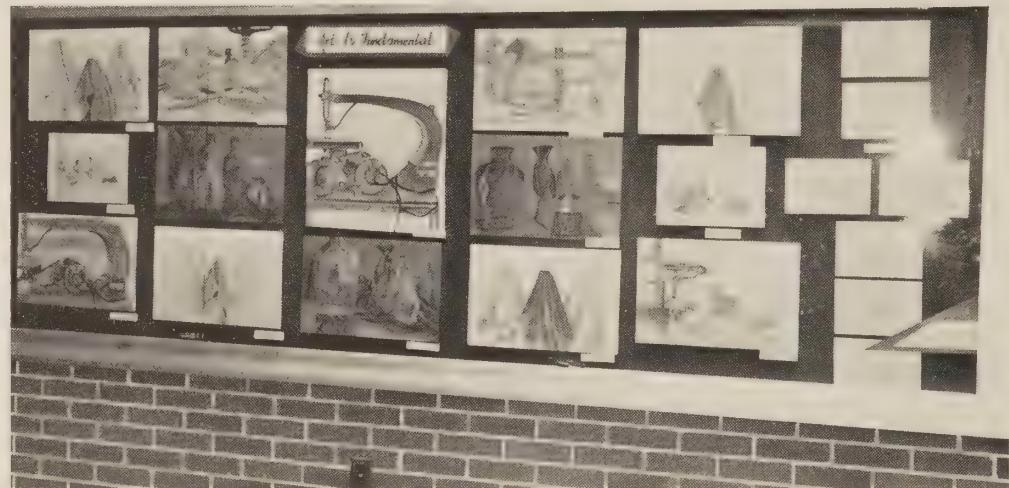

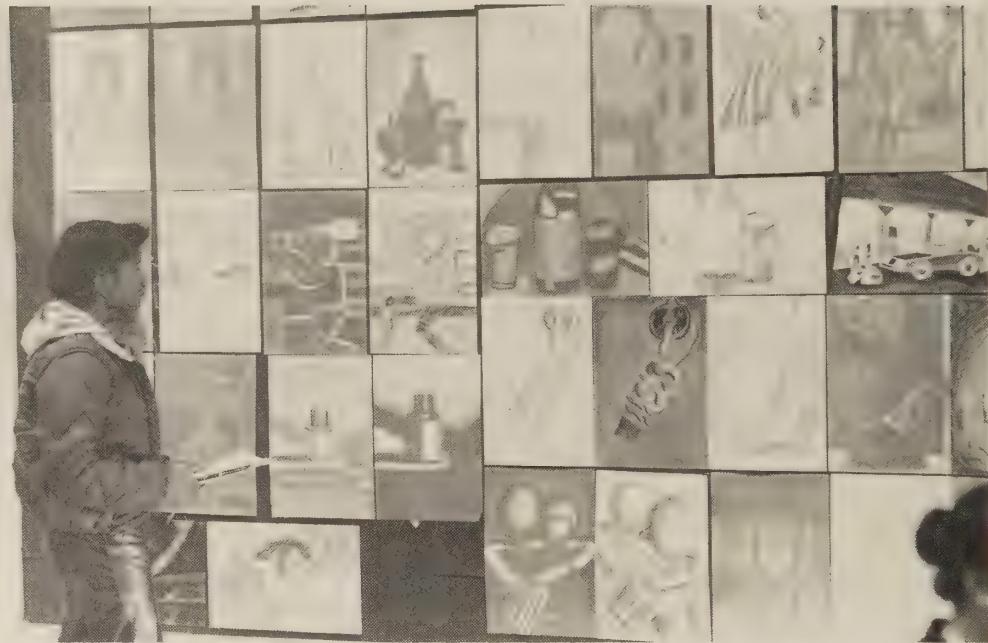

Plainfield High School is especially proud of its Art Department. And well it might be. During the course of the school year students work on various mediums allowing for growth in perception, appreciation and knowledge in the visual arts.

In Fundamental of Art I, it is hoped that students will become consciously aware of their self-worth as individuals through the increased understanding of art as it relates to humanity.

Fundamental of Art II is an extension of Fundamental of Art I. It is intended for the student who wishes to explore the visual arts in more depth. Basic art skills are explored along with some art history, crafts and commercial concepts.

For the serious art student there is fine and applied art. Along with the drawing and two and three dimensional design concepts, there is the opportunity to develop skills in oils, metal and wood sculpture, enameling, batiking, wood carving and silk screening. At this point careers are being explored and portfolios are beginning to develop.

Fortunately for the students, they have the leadership, direction and inspiration of the two competent members of the Department, Ms. Viviyanna Foreman and Ms. Debra Cupid.

Spring Exhibit

Why are we proud of the PHS Art Department? These are just some of the examples of the excellent work created by Plainfield students. The annual art exhibit is held in the Library each Spring and it is always a joy to behold. These may be the work of students who graduated last year, of the present Senior Class, or even the work of some underclass members, but they do display the caliber of art work achieved by the students of Plainfield High School.

The Performing Arts

Our beginning in 1982 was an overwhelming success in the face of numerous odds. This birth was that of Performance Workshop, Modern Dance, and Photographic Science, respectively English, Physical Education, and science courses. The teachers, Mrs. Sheila Thorpe, with a background in Speech and Dramatic Arts, Ms. Laverne Jones bringing the knowledge of Modern Dance, and Mr. Matt Zullo, an expert in photography were elated because of the hard work and planning necessary to bring these classes to fruition. The students were equally thrilled because they would have the opportunity to perform and exhibit their many talents, yet receive credit simultaneously.

"The Girl in the Mirror" by Bruce Jacoby, a two act play, and "An Evening of Dance", a dance recital are two major productions of which we may be proud. Every student in the classes either performed on stage, worked on various stage crews, or produced publicity photos for these shows. The expertise of professionals in theater were sought and Mr. Edward Carrion, an actor/dancer was hired as an adjunct to work with the staff and students. These efforts netted an estimated combined audience of 1800 students and staff.

The success of the program lies not in talents alone, but rather in the dedication, hardwork, and perserverance demonstrated by the students. PHS be proud because we're proud of the faith you've shown in us by your participation.

A New PHS Innovation

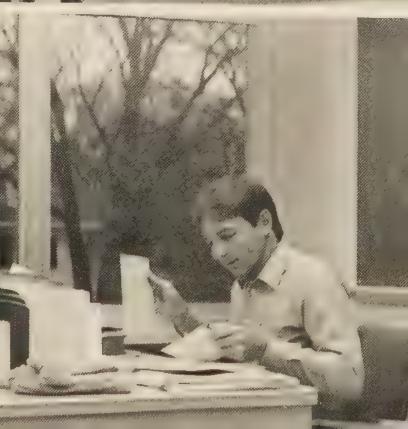

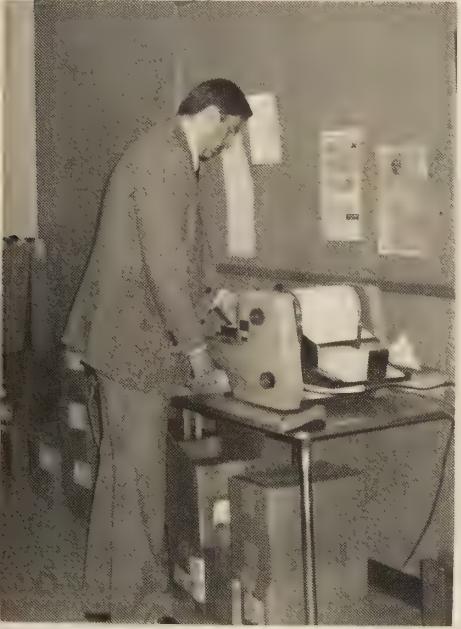

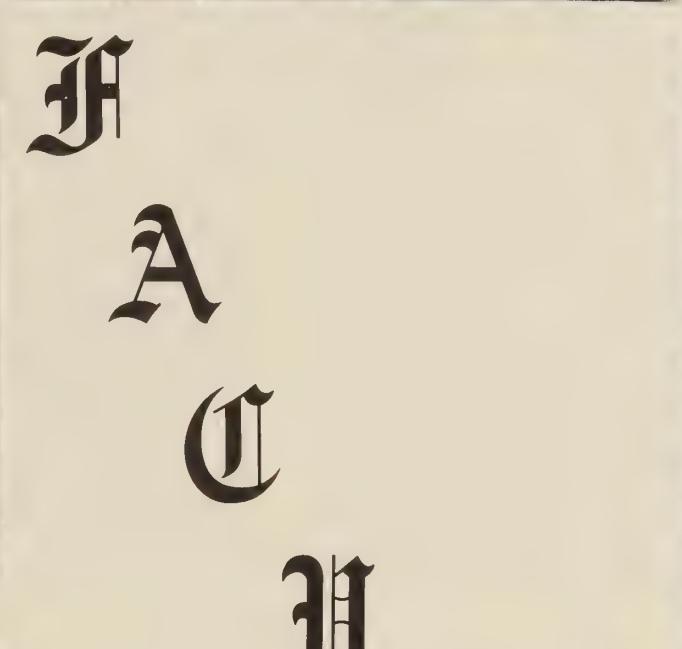

PHS Computer Center

In the Computer Science courses the students receive an introduction to computers by learning the BASIC language. The Mathematics Department has expanded the computer curriculum this year by adding a second course in BASIC and increasing the number of available microcomputers. An even greater increase in both course offerings and hardware is anticipated for next year.

With these recent and soon to be added developments, Plainfield High School can now say that it is beginning to meet the needs of a changing society and preparing its students for the ever changing technological world. We look forward to even more improvements in the future and will try to keep abreast of this rapidly changing field.

PHS Administration

The Class of 1984 salutes the PHS Administrative Team. At the helm this year is our new leader, Dr. Robert H. Max, who brings to Plainfield a varied background in the field of education as noted in the introductory section. He may be new, but he has an experienced staff in his Vice Principals. Mr. Henry Foster is aided by Mrs. Gloria Taylor in the administration of the 9th Grade House. Mr. William Schlough and Miss Doris Lee assist Dr. Max in the new building. It is a challenging job to direct the destines of some 2500 students.

The administrators are aided by a very competent group of Department Chairpersons. These chairpersons have always been one of the great strengths of Plainfield High School, and they do a masterful job of ensuring that the needs of the students come first. We hope the administrative team will remain in tack to give the stability the students look forward to, need, and deserve.

A TRIBUTE TO THE PLAINFIELD HIGH SCHOOL FAMILY

Plainfield High School is most fortunate in having an excellent faculty and supportive groups that make up what we like to call the Plainfield family. This family includes the teaching staff, secretaries, security officers, custodians, and aides. A former principal of PHS, Mr. Wallis Gleason, would often say — "We have a faculty second to none." We now have a family second to none. Everybody works together, mainly for the benefit of the students, because that is the NAME OF THE GAME. Hats off to a dedicated FAMILY.

1983 was a season of "almosts." The Cardinals were so close to winning against Union, Elizabeth, and Linden. Too little, too late, was the story of the great comeback against Trenton. Those four losses by a total of 20 points kept the Cardinals out of the playoffs, and tempered the enthusiasm generated by a 3-0 start. The Cardinals had an outstanding day against Scotch Plains to stymie their playoff hopes and our seniors closed out their PHS careers defeating Westfield for the second consecutive year — a feat unmatched since 1966 and 1967. Senior Co-Captains Corky Baily and Kyle Rhoden had outstanding seasons. Tim Anderson, Donald Walker, Dave Matthews, Ed Glasgow, Clarence Hoover, and Moe Lucky represented the Class of '84 well. They made outstanding physical contributions but were also superb in providing leadership. We will miss all of our seniors, however the future is in good hands. The starting backfield of Darren Felton, Mike Riddick, Darron Brown, and Charles Patterson return to provide offensive excitement for Cardinal fans. A strong defense will be led by Dwight Bronson, Fred Pringle, and All-County safety Tim Egerton. Congratulations to the Class of '84, it was your class that turned this program around.

Who said tennis isn't glamorous?

The Lady Cardinal Tennis team continued their winning ways recording a 10-5 season. For the third straight year the number one position was held by Captain Jenny DiMaggio. Co-Captain Paula Boccher and Sheremour Waldron were the number two and number three singles players. Senior Lisa Haynes teamed with Jill Johnson for one of the most powerful doubles teams in recent history. Rounding out the lineup were Armie Bacarro and Trista Pollard at second doubles.

The 1983 team leaves a mark unequaled by any team in any sport. The ladies of the '83 PHS Girls Tennis team were all honor roll students. Seniors Jenny DiMaggio, Paula Boccher, Sheremour Waldron, Lisa Haynes and Donna Bowlin were perfect examples to the younger players showing the combination of athletics and academics. These ladies will be greatly missed next year.

Lasting friendships are formed on the tennis courts.

Boys' Soccer

The '83 season was a rebuilding year for the Plainfield soccer team. Last year's coach, Alfonso Villarino, resigned and most of the team that he took to the playoffs in '82 was lost, either through graduation, ineligibility, or just by the fact that they did not come out for the team.

The team that played for first year coach Jim Malkmus and Ciro Maglione was last year's J.V. team. The team was young and inexperienced and they had a rough schedule to play. As a result, they did not have a winning season. The team gained experience and maturity and next year we hope to see much improvement.

Soccer is a very competitive sport. During the season we overcame one important problem which had been a lack of participation by the PHS girls. Our record was not something to write home about, but we had a very exciting season. This sport seems to be catching on at Plainfield High and we look forward to more success in the future with our girl's soccer program.

Boys' Cross Country

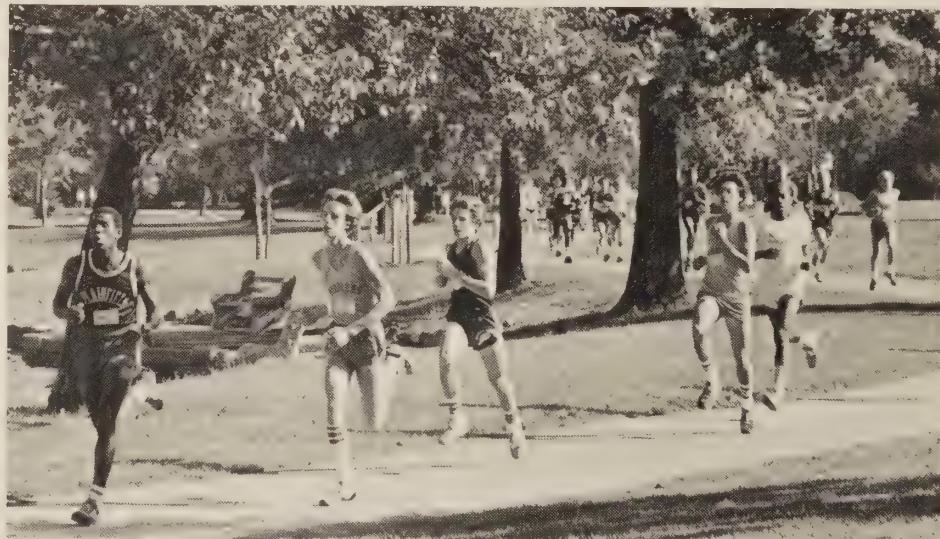

The 1983 Boy's Cross Country Team enjoyed another very successful season under the watchful eye of Coach Klimas. After a few rugged weeks of workouts, the team started to take form. Returning lettermen Reggie Gentles, Rohan Elleston and Hal Hamilton were quick to lend needed experience to Dwayne Cade, Keith Thomas, Mario Vargas and Stanford Johnson who were to comprise the balance of the varsity squad.

Many of the uncertainties about the team's strength were soon dispelled as they went on to post an 8-2 record. The highlight of the season was the 26-29 victory over Westfield. This marked the first victory against the Blue Devils in well over 15 years. The 1984 fall season looks bright for the Cardinals. With the loss of only Keith Thomas and Rohan Elleston through graduation, the entire team will be back. No wonder Coach Klimas is smiling. Look out Westfield for a repeat victory.

Boys' Basketball

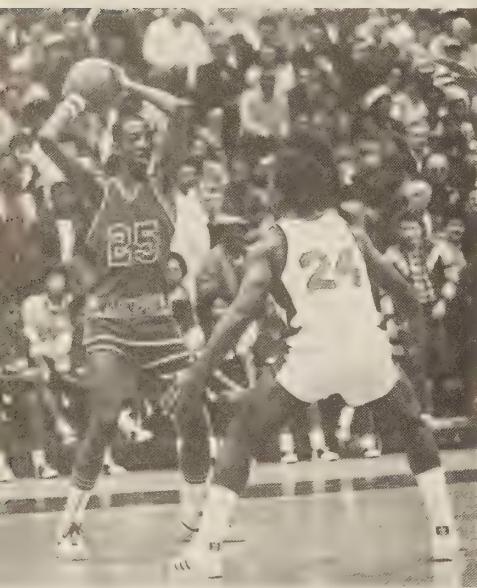

After coming off our State championship season, 1982-83, we had two starting players back plus three players that came off the bench for the coming season.

The team started very well by winning our first twelve games. Along with that was our own Christmas tournament championship which was won by yours truly, "Plainfield High School defeating Franklin Township by the score of 68 to 51."

After winning twelve games in a row we were defeated by Elizabeth for our first loss. We then had four games to play before the Union County Tournament started. PHS won three out of four which gave the team a record of 17 wins and 2 losses going into the County Tournament. We defeated Scotch Plains, St. Mary's of Elizabeth and a good Ro-

After the Counties came the State tournament play where we were upset by East Orange 70 to 60. Overall, looking back over the season, we had an exciting year with a record of 20 wins and 4 losses. In those 20 wins we were winners of our own Christmas Tournament, Union County Tournament Finalists, Top Ten in the Star Ledger Poll all season, and the number one team in the final Courier News for the area. Indeed, it was a good year. It could have been better but we accomplished more than we had anticipated.

Lady Cardinals

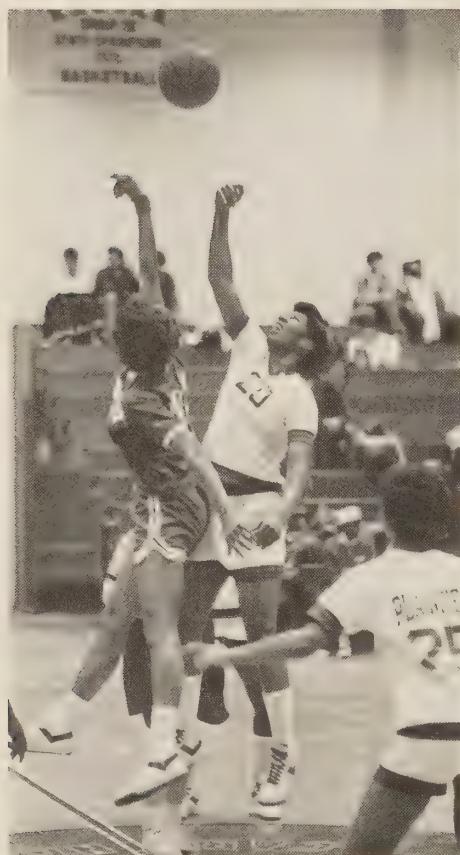

The Lady Cards started their impressive season by winning the Morristown Christmas Tournament for the second consecutive year. Winning ways continued with Seniors Jennifer DiMaggio, Dana Williams, Lisa Silas, Mary Moye and Junior guard Carolyn Sargent winning The Watchung Conference (12-0) for the seventh time in eight years.

The return of Michele Lewis and Rene Jones gave the added ingredient to lift The Lady Cards to their sixth consecutive Union County Championship. With the help of Sheena Hines, Selina Jones, Yvonne Spivey, Kim Martin, Cynthia Kaigler, and Yolanda McNeil. The team then went on to win its third consecutive sectional championship.

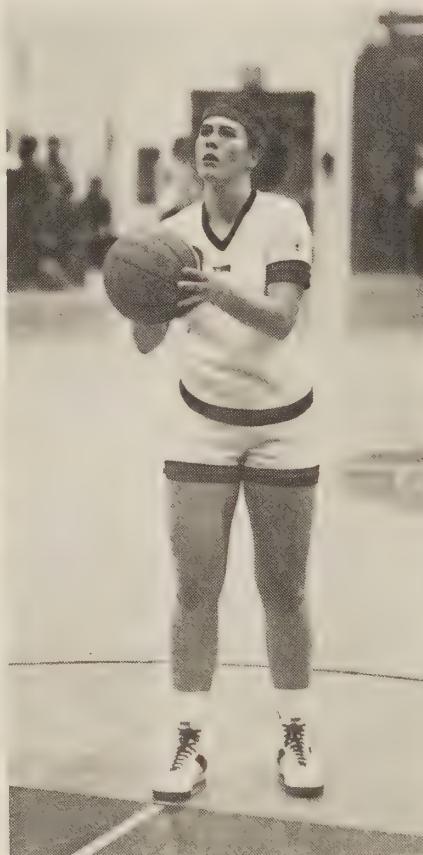

The Lady Cards took their unblemished record into the state finals, only to lose to Neptune 79-65. It was a crushing defeat for The Lady Cards as this was to be the year.

This season has been a most satisfying experience because of the positive attitude of the athletes involved. The team did not win any major championships but it experienced more improvement and maturity from the team members than any other team in recent history. Coach Upperman believes that if more of the student body would become interested in this sport, that has been a tradition here in Plainfield, PHS will again experience tremendous team success.

In what should have been a rebuilding year, the Plainfield Lady Cards Track Team continued in their winning tradition. Dominated by underclassmen, the Lady Cards worked hard to uphold the high quality of competition that tradition dictates.

Only five letter winners returned to this years team. Undaunted The Red and Blue came home victorious week after week. The girls captured team titles at East Brunswick, Ridgewood, and Sayreville. With the most prestigious titles coming at the Union County Championships, and the New Jersey Class Championships, where the girls easily outdistanced the competition.

Individually the lady cards were led by Denise Waldron-Malone, Edwina Grant, Constance Bilal, Susan Rountree, Connie Reves and with the help of sophomores Yolanda Ryner, Mona Journigan, Tisha McKoy and Carla LaCroix and Sheryl Smith the distaff Cards continue to Fly High.

Almost! But Not Quite . . . Yet Our Lady Cards Had a Great Year. A Great Team, and as Always, a Great Coach!

Mr. Harry Lambert, founder and coach of the Lady Cards has compiled a remarkable record over the past eight years — 174 wins and 21 losses. Some of the championships and records achieved under the leadership of Coach Lambert have been, including this year, three consecutive NJSIAA Group IV, North II Sectional championships, a record six consecutive UCIAC (county) championships, and eight consecutive Watchung Conference championships.

As for Mr. Lambert himself, he has received many awards of distinction. For three consecutive years he was named by the Courier News as the outstanding coach of teams in the local area. He was named Star Ledger Coach of the Year, 1982-83; Courier News Coach of the Year, 1982-83; and Daily News Coach of the Year, 1983-84.

Needless to say, the Lady Cards have usually been ranked by the Star Ledger as one of the top teams in the State. This past year they were No. 2 throughout the season. Most of the Senior Lady Cards have played varsity ball and have shared in these outstanding achievements over the last three years. Dana Williams and Jennifer DiMaggio are four-year varsity veterans.

Some of the individual honors for the 1983-84 season were, Jennifer DiMaggio: Courier News — All Area, All Stars, 1st Team; Daily Journal — All County All Stars, 1st Team; Star Ledger — Union County All Stars, 1st Team; Star Ledger — All State, Division IV, 2nd Team; Union County Basketball Coaches — All Star Team; Plainfield Area YMCA — Leadership Award. Dana Williams: Courier News — All Area, All Stars, 1st Team; Union County Basketball Coaches — All Star Team; United Church of Christ — Plainfield Youth Sports Award; Plainfield Area YMCA — Leadership Award. Rene Jones: Courier News — All Area, 2nd Team; Daily Journal — All County All Stars; Union County Basketball Coaches — All Star Team.

A Group IV State championship is a most enviable award. It was denied again this year to our Lady Cards, but no one can take away the tremendous accomplishments achieved by the girls and their coaches, Mr. Harry Lambert and Miss Terry McDonald. We are proud of everyone involved in the season this year and they should be also.

Let's go with this idea

Thank goodness it's over

Mr. Mace

Milestone Advisor

Thank You

Mr. Sid Mace has been in the teaching profession for thirty-one years and we are very honored that he was at PHS for twenty-four of those illustrious years. As Business Manager for the MILESTONE the last fifteen years, he has worked very hard in keeping the cost of the Yearbook down and was instrumental in putting the senior section in four color. Having been Moderator the last two years, he has worked even harder and has spent many long hours in putting out a quality publication for the student body of PHS.

Mr. Sid Mace is retiring in June and will be missed dearly. We the MILESTONE staff would like to thank him for his dedication and help and hope he enjoys many years of happiness in the future.

Good Luck and God Bless

Moe, You have made us very proud and we expect much of the same in the future. We congratulate you on this occasion and look forward to many of your successes in the future. Your dreams of success are our prayers.

Mom & Dad

We all wish you good luck with all your endeavors. We Love You.

Aunt Dot & Uncle Freddie

Congratulations to you on this important time in your life. With God's grace and guidance, you will succeed.

Grand Ma Amie
Ft. Myers, Fla.

Morris, Congratulations! Keep climbing upward. Heights of great men reached and kept were not attained by sudden flight, but they, while their companions slept, were toiling upward through the night.

Love Grandma Grace

Strive to succeed in the future as we have watched you succeed in the past. Good Luck and God's Grace.

Aunt Shirley & Uncle Tee

I have watched you grow in knowledge and maturity, and now you are on the threshold of manhood. Much success in the remainder of your endeavors.

Aunt Honey & Uncle Johnny

Much success in the future Morris
Love Great Grandmom Elvora

Congratulations and much success in the coming years. We Love You.

Aunt Grace & Aunt Diane

Moe, you remind me much of myself, as you've chosen to follow the Political Science field. Congratulations and much success.

Uncle Russel & Aunt Annie

Good Luck Morris, Stay as humble as you are and you'll go far.

Love Grandma Louise
Granddad Alvonia

Good Luck Moe, your the last of us FAMOUS and BEAUTIFUL LUCKY'S.

The best thing
that can happen to a person
is to have someone special
to talk with
and laugh with—
to share the littlest adventures
and the biggest accomplishments—
someone special
to be close to and love—
And that's why
the best thing
that ever happened to me
is you.

Love Always,

Our New Administration

Mr. Henry Foster
Acting Principal

Once again, it has been necessary to change the administration of Plainfield High School. This lack of stability in the school's administration and also in the central administration is unfortunate for the high school and the school system.

Fortunately, Mr. Foster has been able to step in again to serve as Acting Principal. Along with a veteran school administration, we have been able to weather the storm. Mr. James must feel like a veteran also in the job of Acting Vice Principal.

It is a tribute to this administration, the veteran high school faculty, and also the student body that the school year has been successfully brought to a close. We trust this situation will soon be resolved for the classes that are to follow.

In Memoriam

Mr. Richard Pajewski 1923-1984

Plainfield High School was saddened and shocked by the sudden and unexpected death of Mr. Richard Pajewski this past February 21st.

Mr. Pajewski had been a teacher of PHS since September, 1949. That is longer than the tenure of any other current teacher at the high school. During that time he has touched the lives of over 4,000 students. Mr. Pajewski loved teaching as attested by the fact that he did not want to leave the classroom for a position in administration.

He was always available to help any student who wished his help or kind advice. His students will long remember him for his dry sense of humor which made his classes an enjoyable experience. His deep knowledge and understanding of things historical and cultural was an inspiration for all who were fortunate to be numbered among his students.

During his thirty-five years of service in the Plainfield School system, Mr. Pajewski took on the extra-curriculum responsibilities of advisor for the school's yearbook, management of Band business, and was a member of the Plainfield High School Remembrance Committee. Outside of the school setting, Mr. Pajewski was a counselor for the Y.M.C.A. in Plainfield, a consultant of horticulture, a consultant to the United Nations, and was an advocate of music and played the violin.

Mr. Pajeski will not only be missed by the Social Studies Department, but also by the entire faculty and student body.

A tribute from a senior student, Miss Iva Monroe:

"He gave a lot. Here are a few words to one who deserves to drink from the ocean of life and born of the right 159 to be an instrument of giving. He is one who has the free-hearted earth as a mother and God as a father."

Dear Members of the Graduating Class of 1984,

I would personally like to thank and congratulate the graduating class of 1984 for making my presidential term a most memorable and successful one.

In ten months, we have shown the faculty, administration and underclassmen that the graduating class of 1984 is unique in every sense of the word. For the past four years, our class has successfully accomplished many things.

Many members of the Senior Class are academically talented and have already set many goals for themselves. As for the athletes of the Class of 1984, they are champions, and I would like to recognize all of them personally. Since this is impossible, I would like to congratulate and thank them for making the Track teams, Baseball team, Softball team, Volleyball team, Tennis teams, Soccer teams, Swimming team, Wrestling team, Football team, and especially The Boys' and Girls' Cardinal Basketball teams, the teams that have made Plainfield proud.

Even in our fund raising efforts the class has been resourceful and has invented new ways to increase our funds, and to increase the spirit of our student body. The Senior Class has been influential in developing this school spirit.

I would like to thank all of those who have participated in our many committees and school activities. I'd also like to thank all those teachers and school aides who so thoughtfully and kindheartedly volunteered their help.

There is so much I have to say to my wonderful officers, but so little space. We have done so much together as a team. We have matured so rapidly, and all our experiences will aid in our future endeavors. Thank you all very much for being there with me all the time and for working so hard. Special thanks to two very special advisors, who were very concerned about the senior class of '84. I'd like to personally congratulate Mrs. Tiffany Corbett and Mr. Michael Mosely for their many efforts.

To the graduating class of 1984, I would like personally to congratulate all of you. I wish you happiness in your future endeavors and goals. Thank you all for being very supportive and making this year very worthwhile and happy for me. I am very proud that we have made it together.

I wish every Senior the best of luck in all your endeavors, and may happiness and success always remain in your lives.

Yours truly with love,
Sheremour Ann Waldron-Malone
President of the Senior Class of 1984

The lack of a large Yearbook Staff put more responsibilities on the four editors in the Staff. I would like to take this time to acknowledge the students who contributed the most to this Milestone.

One person that made this Milestone a success was Jacqueline Serrano. She dedicated most of her free time to typing several sections of the Yearbook and making sure that the Senior Section was completed on time.

Secondly, many thanks to Jennifer DiMaggio and Ryan Sears. Jennifer had the task of producing the Sports Section and Ryan was in charge of making sure the photographer was always in school when we needed him. Both Jennifer and Ryan did an excellent job in completing their duties on time and making it possible for us to meet our deadlines.

I also appreciate the work of our other members in the selection of the 1984 cover and helping us make this Milestone a success.

Last, but not least, I wish Deborah Johnson good luck with the Milestone next year for she will be the editor-in-chief.

On behalf of the 1984 Milestone Staff, I wish the best of luck and success to the graduating class of 1984, and may everyone achieve all of their goals in the future.

Sincerely,
Georgiann Rosa
Editor-In-Chief
